

# WELCOME TO THE SPARCO WORLD

## Una storia di innovazione, passione e primati

### MISSION

Il nostro obiettivo primario è quello di offrire una qualità superiore e costante su tutti i prodotti senza trascurare la tradizionale eleganza di un brand Italiano, fondendo sicurezza, tecnologia ed eleganza in un prodotto **unico**.

### VISION

I prodotti SPARCO® hanno da sempre la forza di rivoluzionare il mondo dell'automotive e diventare punto di riferimento dell'industria. Volendo continuare su questa strada applichiamo **tecnologia** ed **innovazione** in tutti i nostri processi produttivi interni ed esterni.

## A history of innovation, passion and records

### MISSION

Our primary objective is to offer superior and consistent quality for all products, without neglecting the traditional elegance of an Italian brand. This is achieved by merging security, technology and elegance in a **unique** product.

### VISION

SPARCO® products have always had the strength to revolutionize the automotive world and have become the industry benchmark. Wanting to continue on this path, we apply **technology** and **innovation** to all our internal and external process.
